Experience gorgeous invitation suites inspired by today's trends yet mindful of tradition.

Wedding Collections

Introducing an exquisite new selection of wedding invitations, thoughtfully curated into two distinct collections, each one offering an unparalleled combination of artistry, craftsmanship and versatility. These designs are meant to inspire with distinctive treatments and luxurious finishes. From the moment you lay eyes on these captivating invitations, you'll see how they embody both tradition and trend with effortless grace.

The Trend Collection is a celebration of modern design, crafted for couples who seek a contemporary yet sophisticated aesthetic. Each invitation is a work of art, whether presented on its own or enhanced with coordinating belly bands and envelope liners. With attention to detail, couples are offered an array of customization options that allow them to express their personal style with effortless flair.

The Classic Collection is a true delight for those with a love of enduring elegance. These invitations showcase traditional design elements with a fresh, modern twist. The use of fine finishing techniques like embossing, delicate borders and luxurious foil stamping creates a sense of timeless beauty. This year, we've added pockets and belly bands in fresh new colors, offering couples even more ways to personalize their stationery while maintaining that refined, polished look.

Trend

collection

The 2024 Trend Collection is built on its foundation of modern motifs and layouts, and it incorporates two showstopping embelishments—belly bands and envelopes liners—that couples can add to any invitation. The collection continues with stacking enclosures, some of which may be printed front and back, a favorite among customers due to the clean aesthetic and efficient use of real estate. Look for a modern mix of digital, digital and foil, and thermography print processes.

Trend Paper Stocks

The Trend Collection offers the following papers:

WHITE OR ECRU TEXTURE

WHITE OR ECRU SMOOTH

Trend Invitation Options

Invitation Color Options

From bright and vibrant to soft and muted, your wedding colors help set the mood for your special day. Many of our Trend invitations feature your choice of color options either on the artwork or for the foil. Look for these icons:

Foil Colors

Choose your foil color to customize the foil design elements on Trend invitations with this icon. See page 94 for foil colors.

Artwork Colors

Choose your ink color(s) to customize the artwork elements on Trend invitations with this icon. See pages 92 and 93 for ink colors.

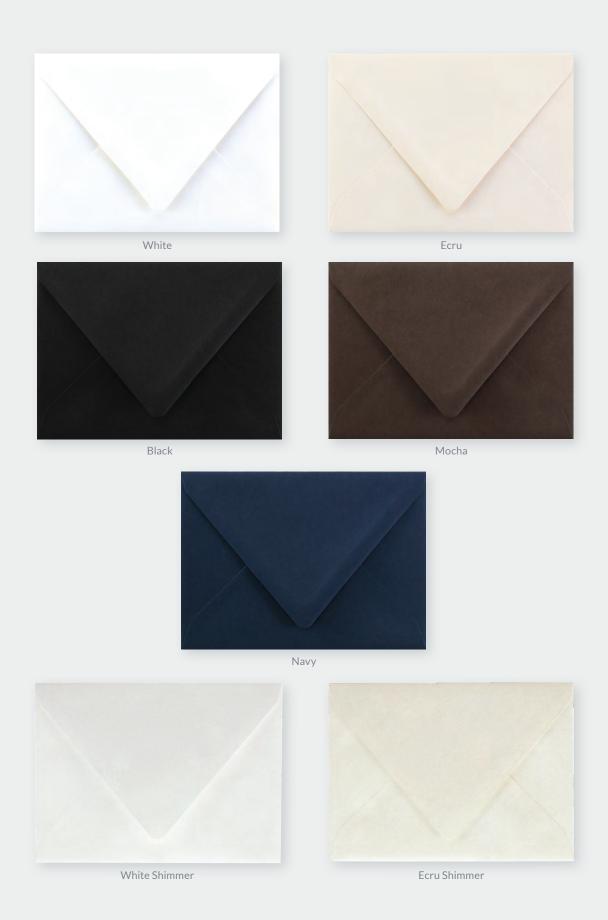

Belly Band Assembly

Belly bands measure 11½" x 1¾" and include clear seals to secure ends when wrapped around invitation.

Trend Envelope Colors
Envelope colors have been expertly curated to coordinate beautifully with a variety of invitation designs in the Trend Collection. Envelope printing available.

Trend Printed Envelope Liners

Every invitation in the Trend Collection offers a coordinating envelope liner, but you can mix and match with any envelope liner in the collection. You can even change the artwork color on some envelope liners. These liners can be used with any envelope included with our 5" x 7" and 7" x 5" invitations. Liners have an adhesive peel and stick strip. Customer assembly is required.

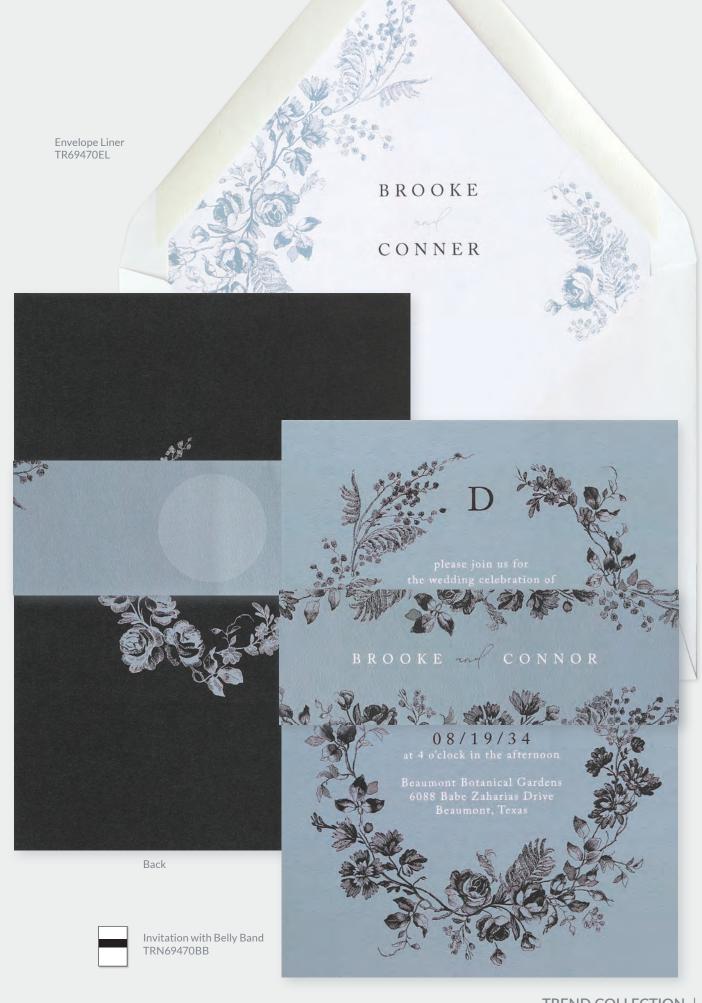

Get The Look

Trend invitations can be ordered two different ways: as just the invitation or with a belly band. Some invitations have multiple options for the backside to allow more space for design or details.
